

Heating & Cooling Systems

2023 LEGACY™ LINE

90+% GAS FURNACES

Model 916S and 912S

On qualifying models only

Benefits of a **LEGACY LINE SYSTEM**

Keep your family cozy during the winter months with a Bryant Legacy Line gas furnace. These furnaces deliver years of reliable performance and are an outstanding value.

Potentially save on winter energy bill

Up to a 97.0% Annual Fuel Utilization Efficiency (AFUE). AFUE is a measure of how efficient your furnace is at converting the energy in fuel to heat.

Eliminate the pilot light

Count on the Bryant Perfect Light™ igniter system to reliably bring the heat when you need it.

Smart technology

Compatible with smart W-Fi® controls like the ecobee for Bryant smart thermostat.

Deliver comfort and savings

Electrically efficient ECM motor, 18-speed operation and insulated cabinets deliver precise and quiet comfort throughout the winter.

Rest easy with a long warranty

With timely registration, receive a 10-year parts limited warranty on all 90s models and a lifetime heat exchanger warranty on 916S or 20-year heat exchanger warranty on 912S.

¹ The limited warranty period is five years on parts and 20 years on heat exchangers if not registered within 90 days. Jurisdictions where warranty benefits are not conditioned on registration will automatically receive a 10-year parts limited warranty and for heat exchangers a lifetime warranty for 916S and a 20-year warranty for 912S. See warranty certificate at Bryant.com for complete details and restrictions.

Excellent comfort **WHATEVER** winter brings

featured TECHNOLOGIES

Complete Legacy systems feature these exclusive advancements.

"Smart" Technology

An ecobee for Bryant smart thermostat can maximize your comfort and savings by learning your family's schedule, using local weather information and analyzing your home's heating and cooling patterns.²

Blocked Vent Safeguard™ Protection

Our exclusive Blocked Vent Safeguard Protection means this furnace shuts down if a common vent is obstructed, keeping potentially harmful flue gases away from your living areas.

Hybrid Heat® Dual Fuel System

Automatically chooses the most efficient fuel source (electric or gas) for heating to provide the ultimate against unpredictable fuel costs.

Take charge with a complete LEGACY LINE SYSTEM

A complete Legacy Line system works as one to deliver whole-home comfort to you and your family.

ecobee for Bryant Smart Thermostat

Achieve greater efficiency and whole-home comfort with this Wi-Fi® smart thermostat.

LEGACY AIR CONDITIONER

High-efficiency cooling power delivering whole-home comfort and energy savings.

EVAPORATOR COIL

featuring **VERTEX** Technology

Matches to the proper outdoor unit to provide top cooling efficiency and years of reliable service.

AIR PURIFIER

Patented Captures and Kills® technology treats 100% of the air flowing through your system.³

HUMIDIFIER

Alleviates dry air by adding moisture.

VENTILATOR

Transfers heating and cooling energy to the incoming fresh air.

² When connected to the Internet through a Wi-Fi® network. Thermostat sold separately.

³ Based on third-party testing (2012) showing 95% of particles size 1.0 to 3.0 microns captured. Based on third-party testing (2012, 2007) showing > 99% kill rate for common cold surrogate, *Streptococcus pyogenes* and human influenza.

BRYANT HEATING SOLUTIONS

There is a Bryant product for almost any heating and cooling need or budget.
Only your Bryant dealer can help you decide which is right for you.
